Experience	<u>Digital Marketing Specialist: <i>Konica Minolta</i></u> <u>2016 - Current</u> I work on internal and external web projects from concept to go-live. My responsibilities include building pages within IBM CMS, uploading content for various security levels, troubleshooting minor issues, developing Presentation Theme variants with CSS, creating visual mock-ups based on information structure needs, inline HTML editing, and communicating with various teams to ensure project requirements are quickly met. <u>Lab Staff: <i>The College of New Jersey</i></u> <u>2014 - 2016</u> I troubleshooted Windows, Mac, and some Linux issues, assisted in level 1 Help Desk tickets, imaged computers, and managed stock as a college IT employee. <u>Web Design & Development Intern: <i>Kinetix Trading Solutions</i></u> <u>Summer 2015</u> I designed and coded a website with scaling mobile version. Other responsibilities included creating a set of additional icons to expand an existing software design layout. <u>IT Intern: <i>Pompton Lakes District Schools</i></u> <u>Summer 2014</u> I assisted in the off-season maintenance of Windows and Macs, imaged computers, resolved basic issues, and maintained upkeep of labs. <table><tr><td>Konica Minolta Supervisor: Cathy Reardon creardon@kmb.konicaminolta.us</td><td>TCNJ Lab Staff Supervisor: Chris Larthey larthey@TCNJ.edu</td></tr><tr><td>Kinetix Intern Supervisor: Majell Yerenburg majell.Yerenburg@Kinetixtt.com</td><td>Pompton Lakes Supervisor: Kevin Hazell kevin.Hazell@PLPS.org</td></tr></table>	Konica Minolta Supervisor: Cathy Reardon creardon@kmb.konicaminolta.us	TCNJ Lab Staff Supervisor: Chris Larthey larthey@TCNJ.edu	Kinetix Intern Supervisor: Majell Yerenburg majell.Yerenburg@Kinetixtt.com	Pompton Lakes Supervisor: Kevin Hazell kevin.Hazell@PLPS.org
